ANNOUNCEMENT OF PUBLIC COMMENT PERIOD FOR THE DECEMBER TRANSPORTATION CONFORMITY ANALYSIS

The Syracuse Metropolitan Transportation Council (SMTC) has begun the official 30-day public comment period on the draft Transportation Conformity Analysis for the revised 2011-2015 Transportation Improvement Program (TIP) and the Long Range Transportation Plan (LRTP). Both Federal and State regulations require that each time the SMTC adopts, approves or significantly amends a TIP or LRTP, it be determined that the proposed action is in conformity with the applicable State Implementation Plan for air quality. The draft analysis successfully determines that Onondaga County continues to be in conformance with the New York State Implementation Plan for air quality.

The public review/comment period begins immediately. **Comments received on or before January 29, 2012, will be considered for the final transportation conformity analysis.** The draft analysis can be accessed online at www.smtcmpo.org.
