

**ANNOUNCEMENT OF PUBLIC COMMENT PERIOD  
AMENDMENT TO THE 2011-2015 TRANSPORTATION IMPROVEMENT PROGRAM**

The Syracuse Metropolitan Transportation Council is seeking public comment on the proposed amendments relative to the 2011-2015 Transportation Improvement Program. This action includes the following:

- Schedule adjustments to existing projects
  - Various projects and sponsors
    - Updated annual planning targets were provided by the New York State Department of Transportation thereby necessitating an examination and modification of the 2011-2015 TIP for fiscal constraint purposes. Several non-State project schedules that impact the current federal fiscal year (i.e., FFY 2011/2012) are suggested for revision. A complete multi-year revision will be forthcoming. Please refer to the following page for project specific details for FFY 2011/2012.
